

Calling All Soup Chefs...

Recipes for Success: Soup Cook-Off and Auction, now in its ninth year, is a lively and fun event attracting approximately 300 guests. The soup cook-off is the highlight of the evening. Soup chefs representing businesses, community partners, and residents begin practicing recipes months in advance to win the coveted **Golden Ladle Award**.

You're invited to join the festivities by participating as a soup chef!

Guests will vote with their dollars to elect the winner of the **Golden Ladle Award**. The funds raised will be used to support SE Works' employment and training programs for youth and adults.

Special celebrity judges also will join in the fun by selecting a favorite soup.

At the awards ceremony, these favorites will be recognized along with the winner of the **Golden Ladle Award**. We'll see how the "people's choice" compares with the celebrities' picks!
